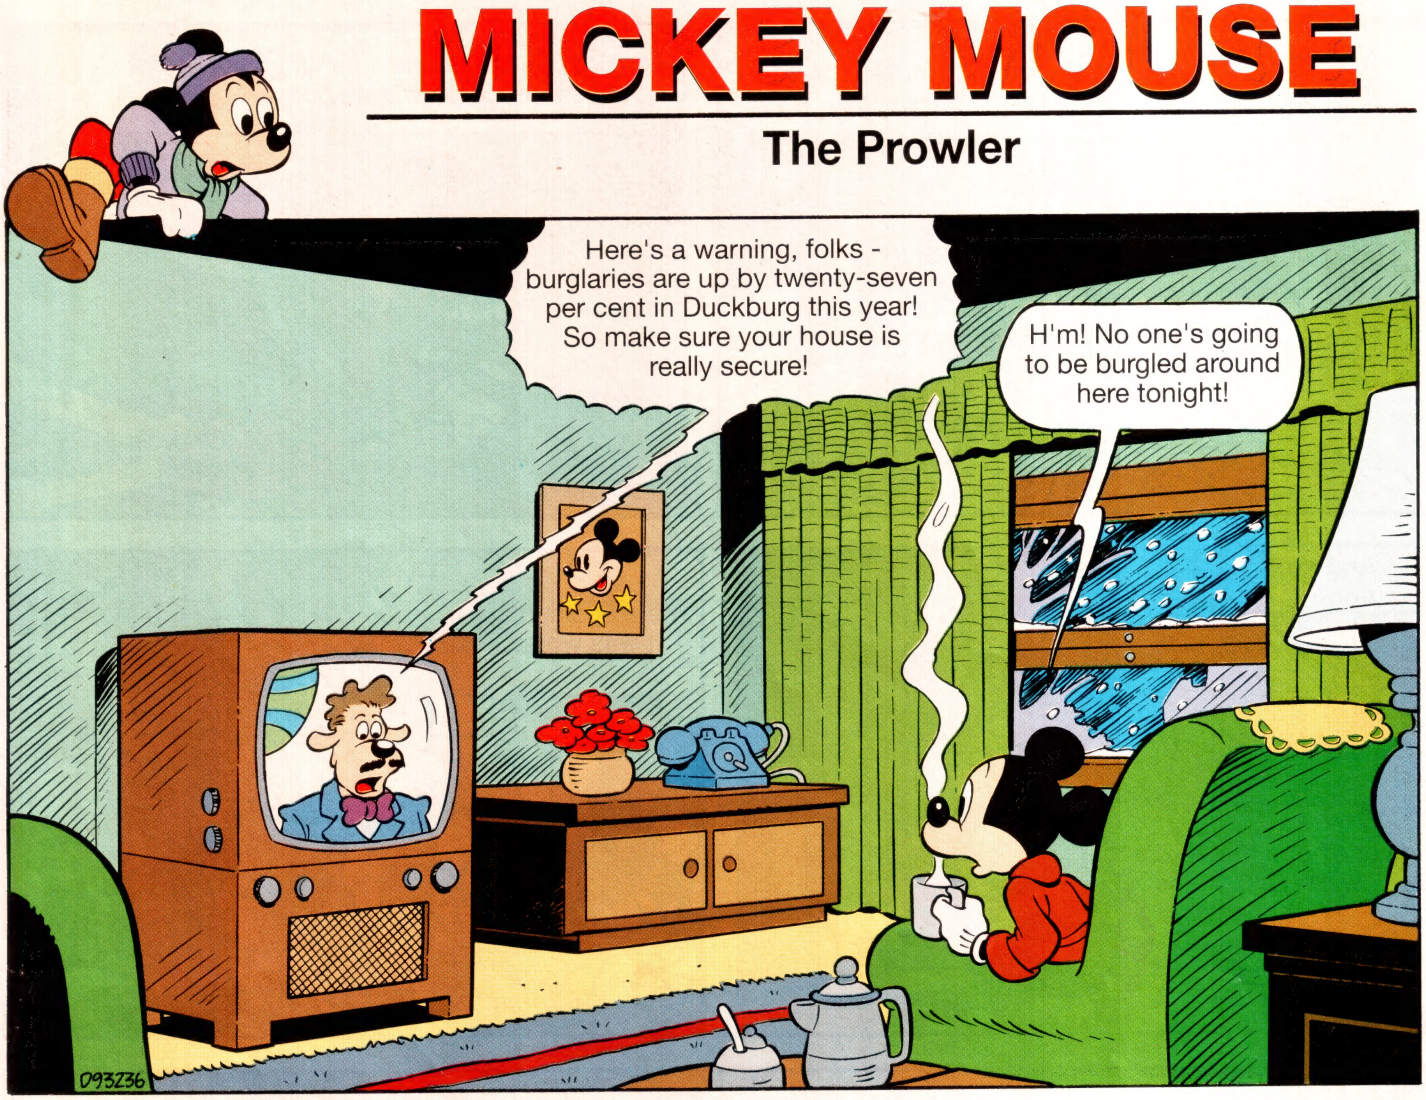
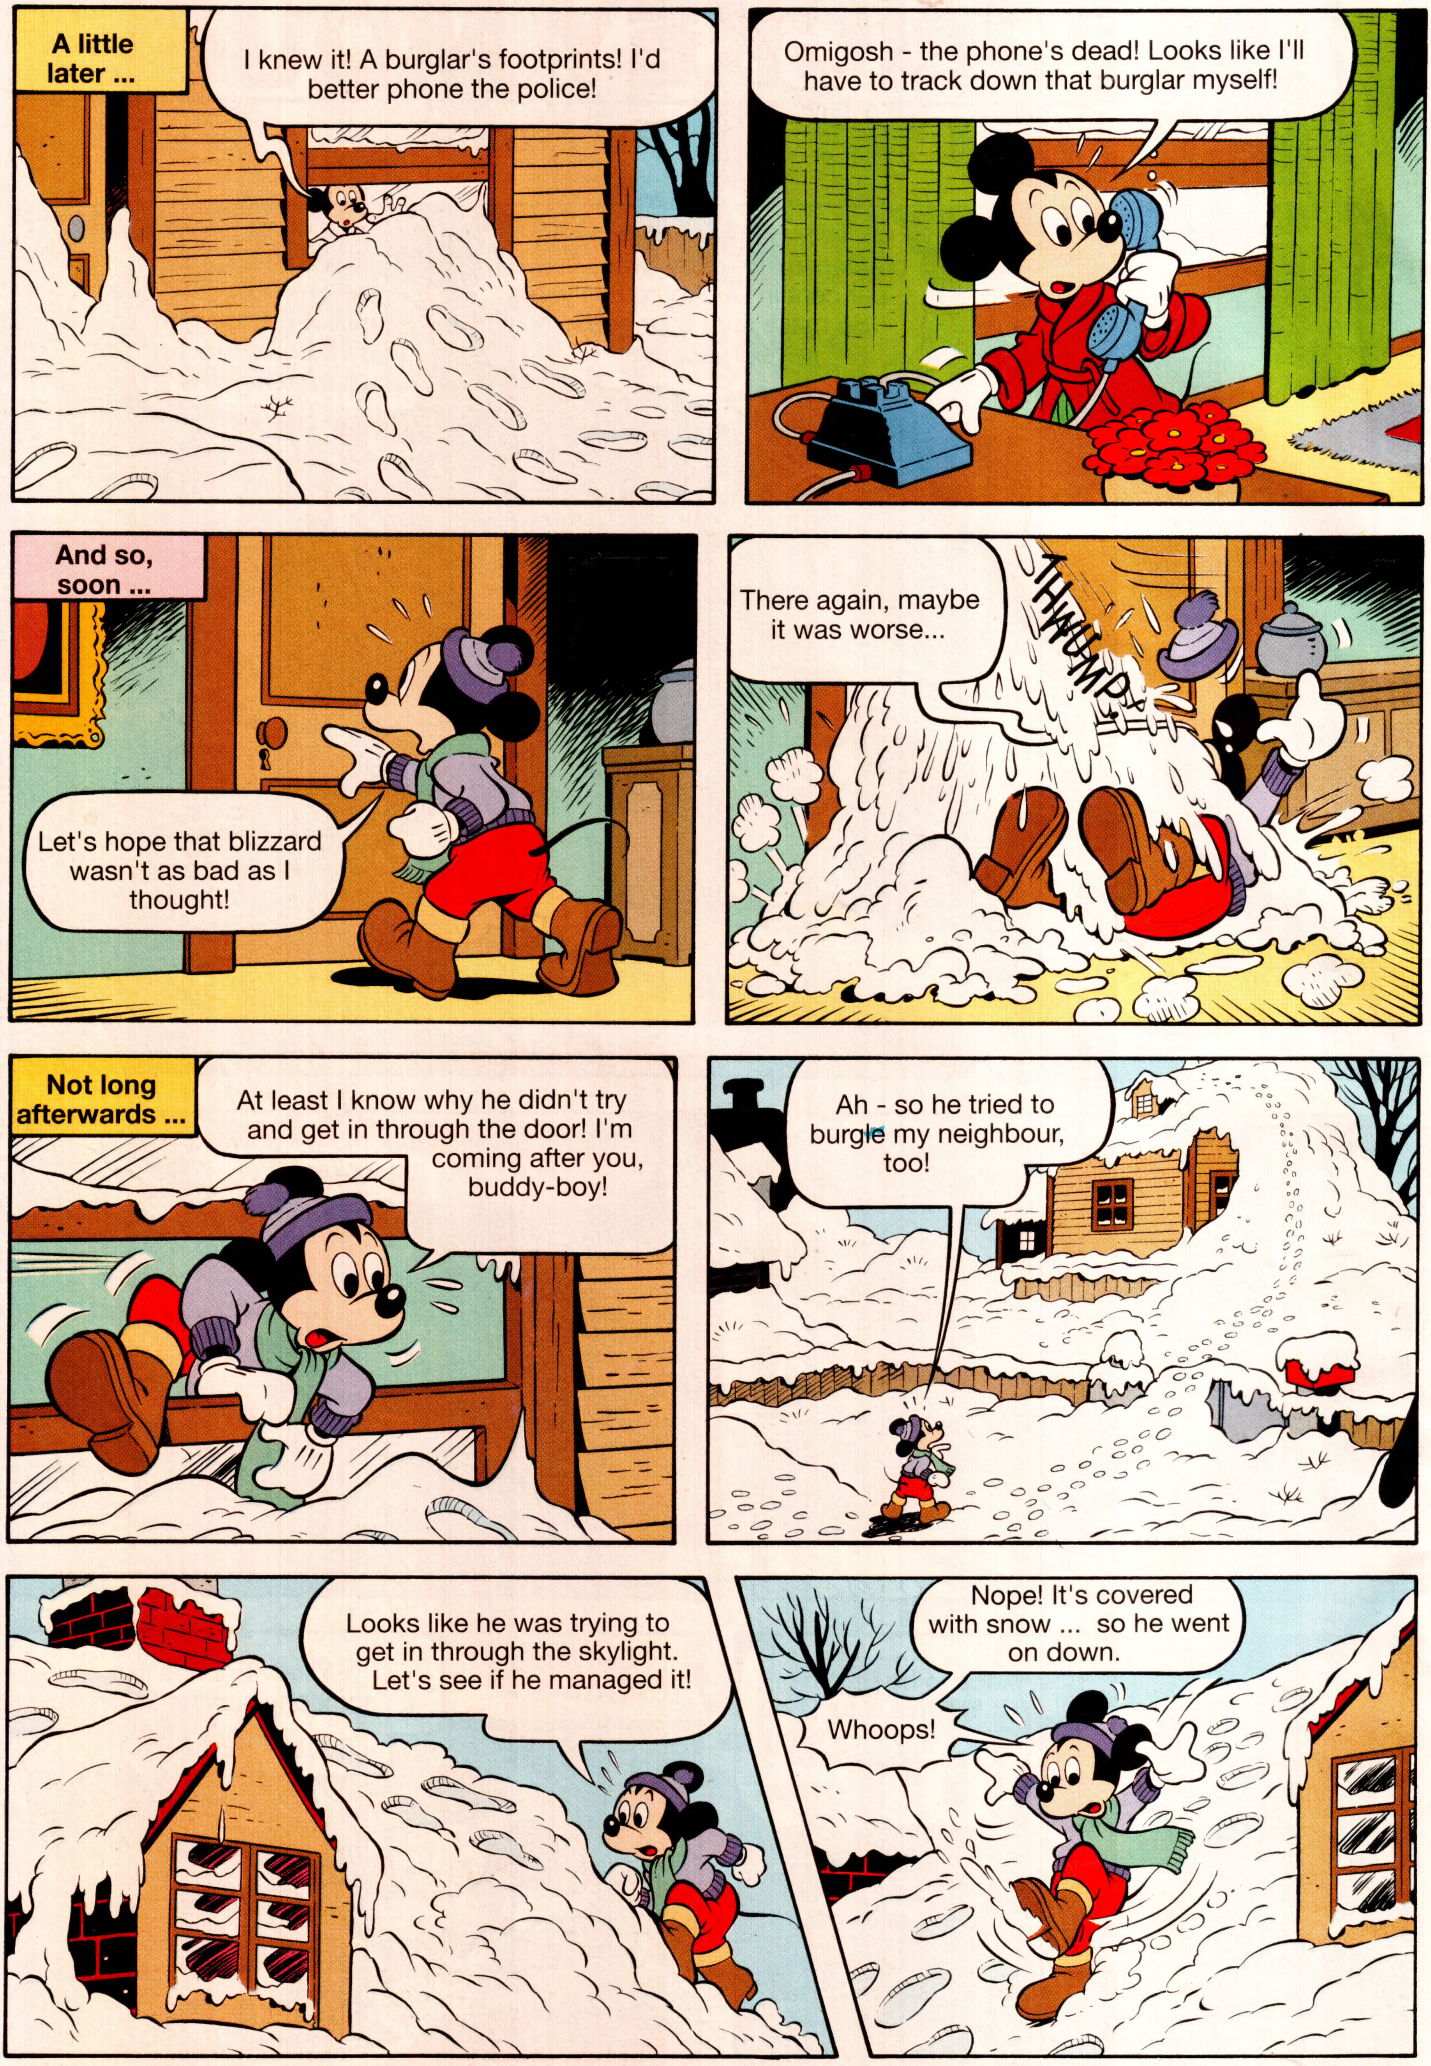
MICKEY MOUSE

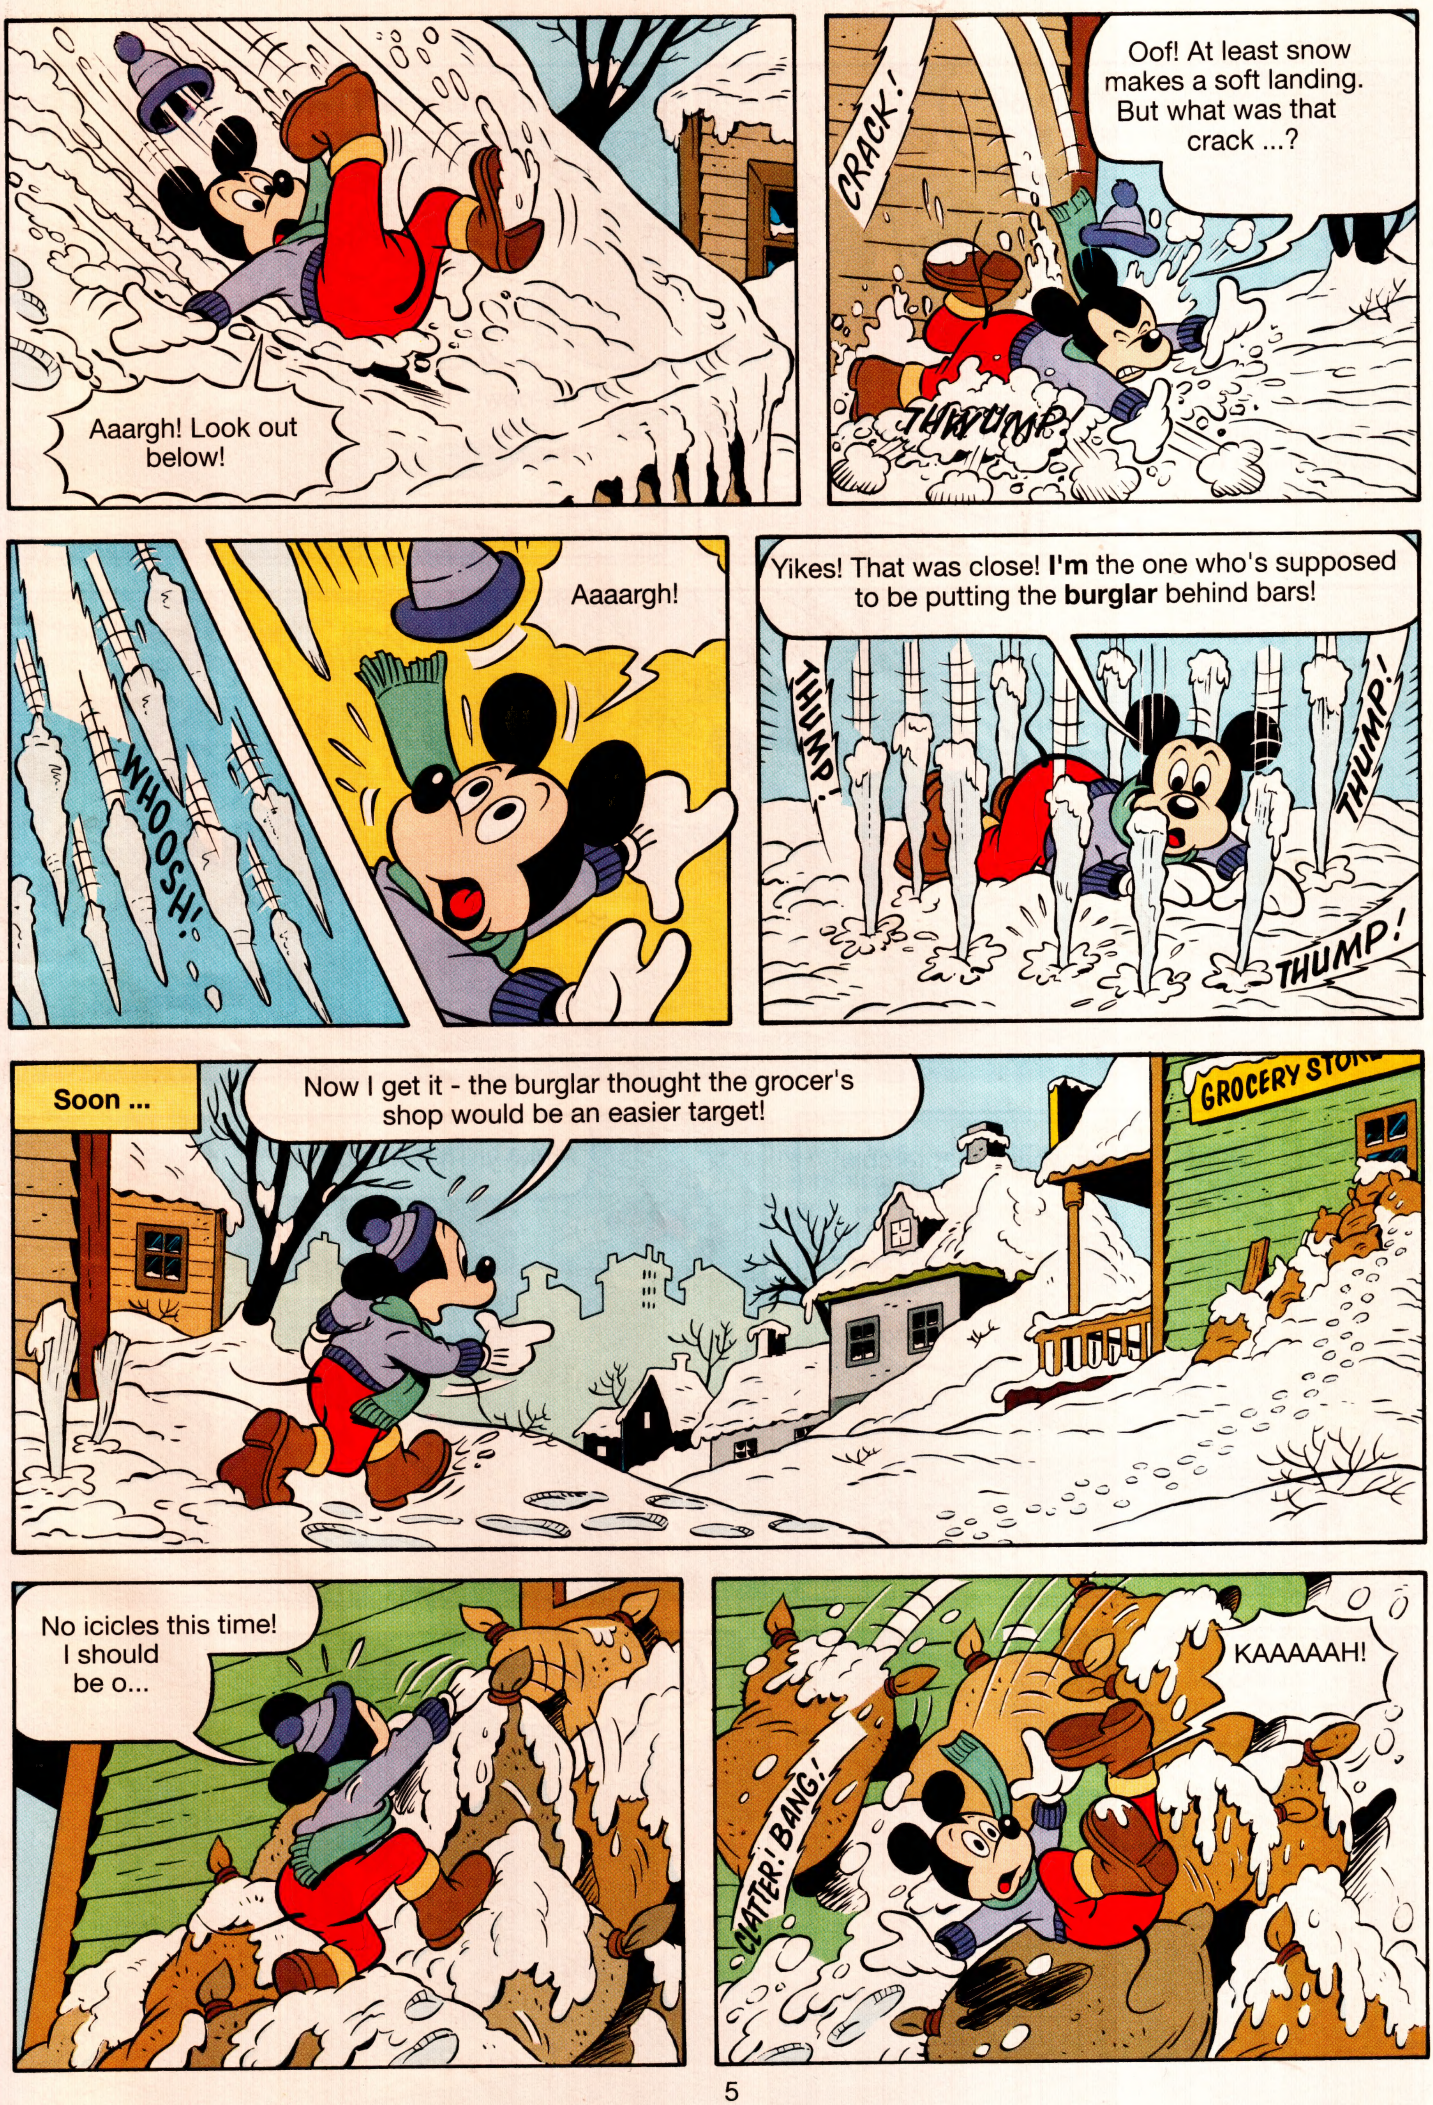
The Prowler



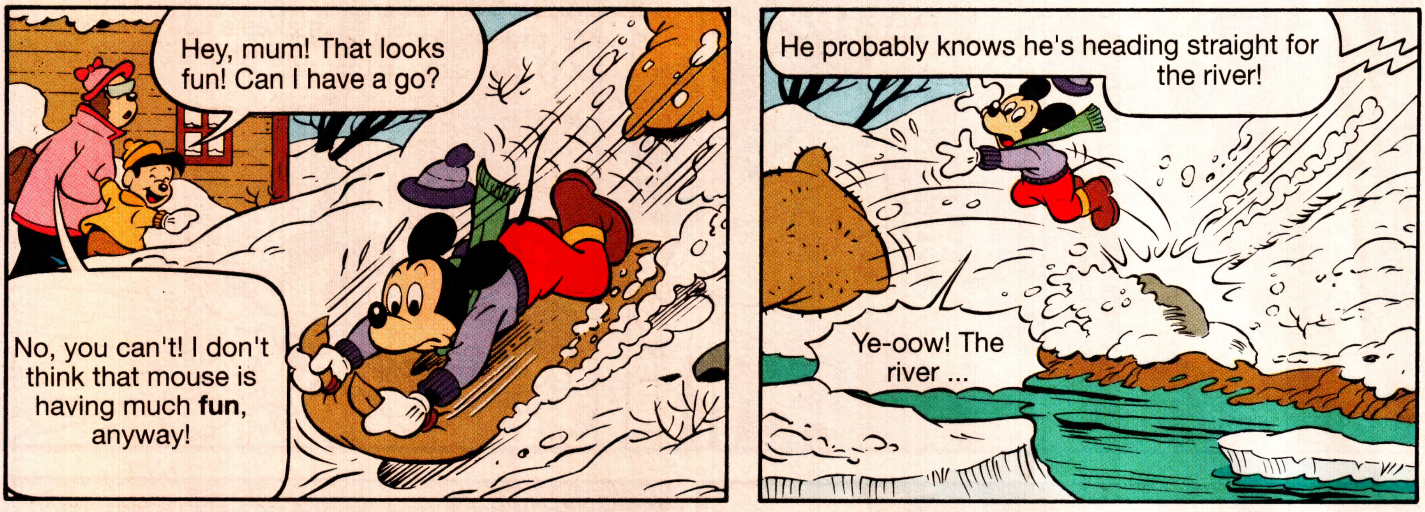
Here's a warning, folks - burglaries are up by twenty-seven per cent in Duckburg this year! So make sure your house is really secure!
H'm! No one's going to be burgled around here tonight!
093Z36



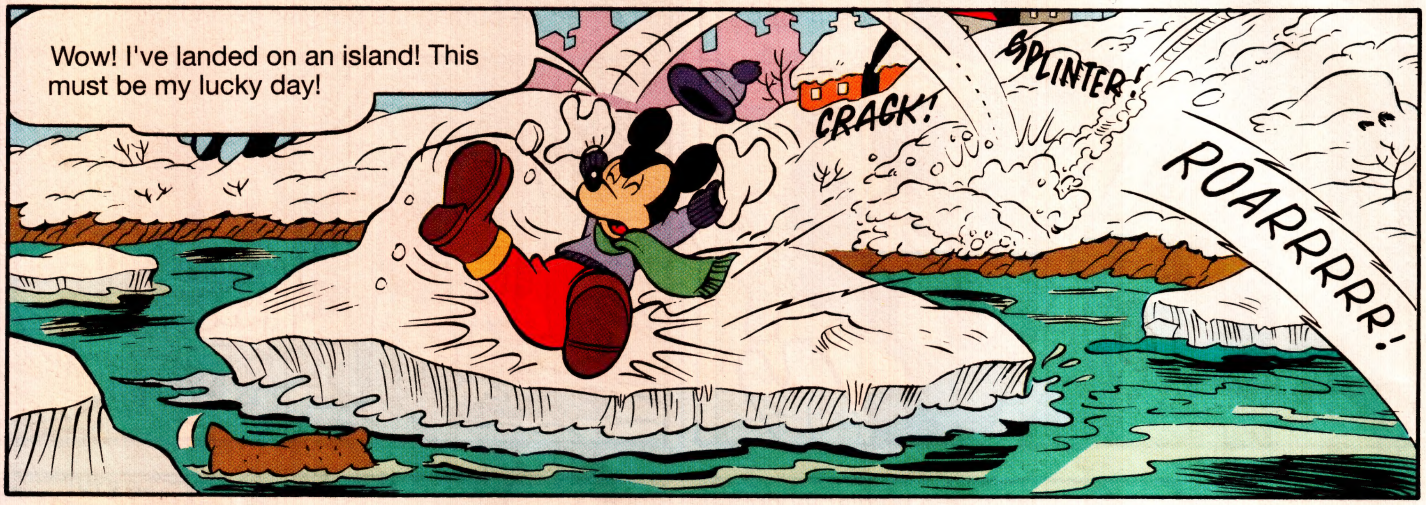
A little later ...
I knew it! A burglar's footprints! I'd better phone the police!
Omigosh - the phone's dead! Looks like I'll have to track down that burglar myself!
And so, soon ...
Let's hope that blizzard wasn't as bad as I thought!
There again, maybe it was worse...
THUMP
Not long afterwards ...
At least I know why he didn't try and get in through the door! I'm coming after you, buddy-boy!
Ah - so he tried to burgle my neighbour, too!
Looks like he was trying to get in through the skylight. Let's see if he managed it!
Nope! It's covered with snow ... so he went on down.
Whoops!



Aaargh! Look out below!
CRACK!
Oof! At least snow makes a soft landing. But what was that crack ...?
THUMP!
WHOOSH!
Aaaargh!
Yikes! That was close! I'm the one who's supposed to be putting the burglar behind bars!
THUMP!
THUMP!
THUMP!
Soon ...
Now I get it - the burglar thought the grocer's shop would be an easier target!
GROCERY STOR
No icicles this time! I should be o...
KAAAAAH!
CLATTER! BANG!



Hey, mum! That looks fun! Can I have a go?
No, you can't! I don't think that mouse is having much **fun**, anyway!
He probably knows he's heading straight for the river!
Ye-oow! The river ...

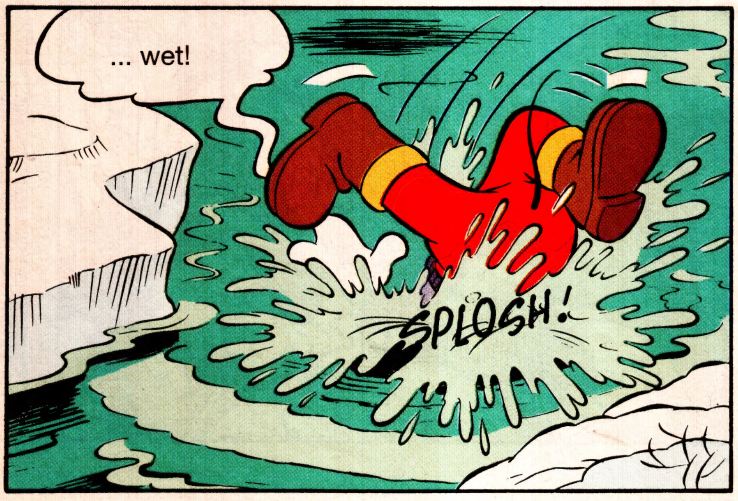


Wow! I've landed on an island! This must be my lucky day!
CRACK!
SPLINTER!
ROARRRRR!

Now what's that terrible roaring sound ...?
Oh, no!
ROARRR!

Phew-y! That was close!
ROARRR!

I almost got ...



... wet!
SPLOSH!

That's it! I'm going home! That burglar can do all the burglaring he likes as far as I'm concerned!
'S funny, though! Those are his footprints... and they lead into that building!
Hmm! Lots of footprints! It's obviously a whole gang of burglars!
Take a deep breath, Mickey!
OK! Nobody move! (Gasp!)
Eh? Why not, Mr. Mouse?
Er... er ... 'cause there was danger of an avalanche that I - er - came to warn you postmen about! But it's safe now!
That's good news!
By the way, I've got a parcel for you! I tried to deliver it this morning, but your door was buried and all your windows were locked!
From Aunty Lil! Brrr! Just what I need!
I must say, Mr. Mouse, we postman think we're pretty tough - but we'd never dream of taking a morning swim in this weather! Heh! Heh!
Ha! Ha! Ha!

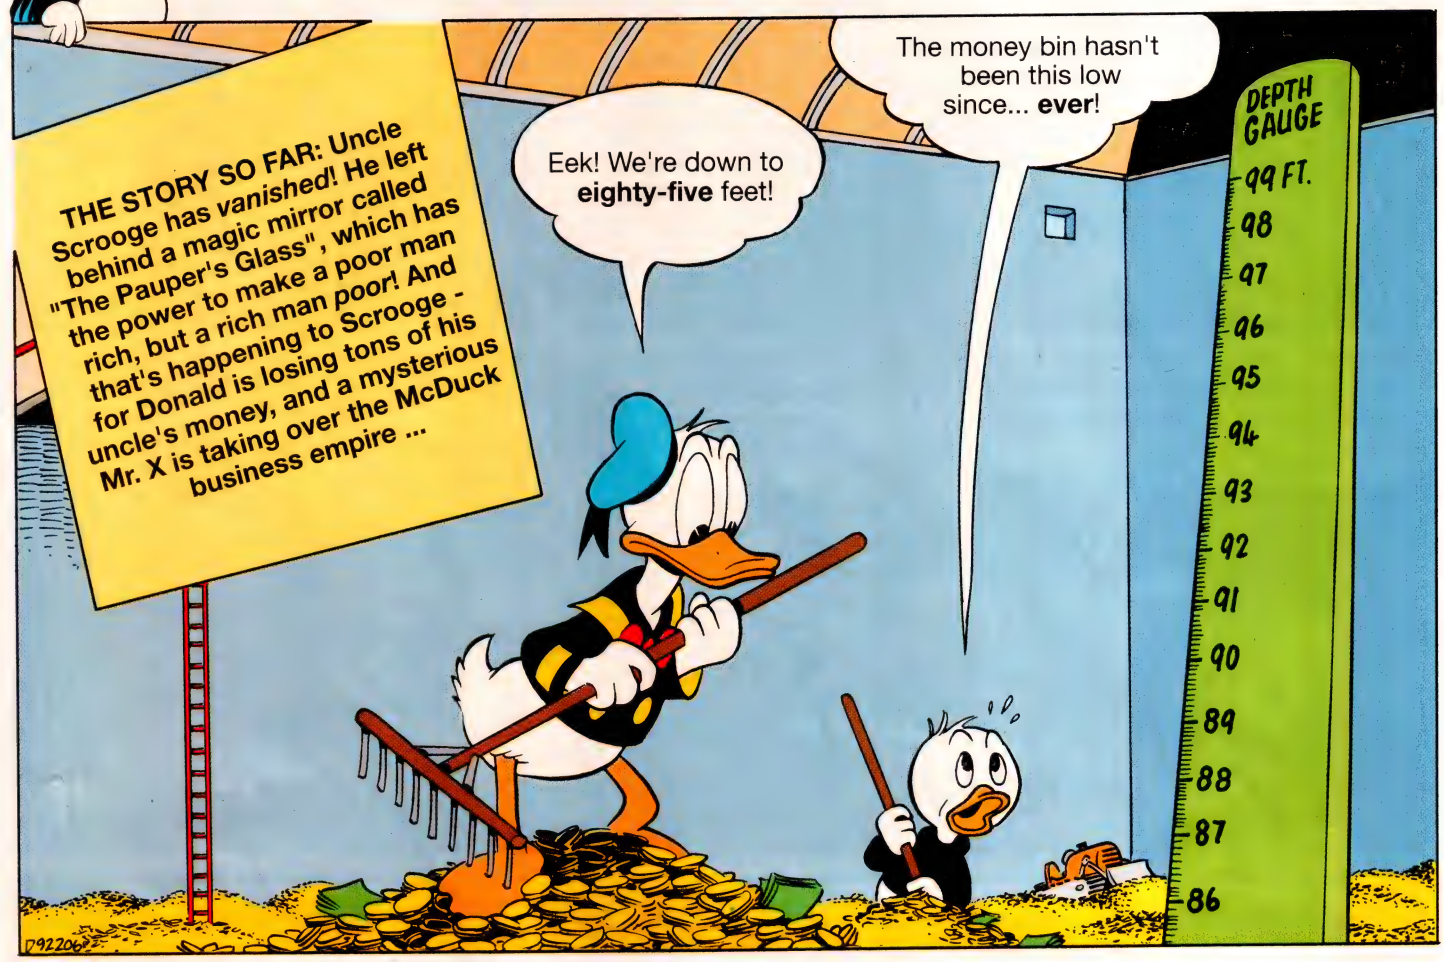
UNCLE SCROOGE

The Pauper's Glass (Part 2)



THE STORY SO FAR: Uncle Scrooge has vanished! He left behind a magic mirror called "The Pauper's Glass", which has the power to make a poor man rich, but a rich man poor! And that's happening to Scrooge - for Donald is losing tons of his uncle's money, and a mysterious Mr. X is taking over the McDuck business empire ...
Eek! We're down to **eighty-five** feet!
The money bin hasn't been this low since... **ever**!

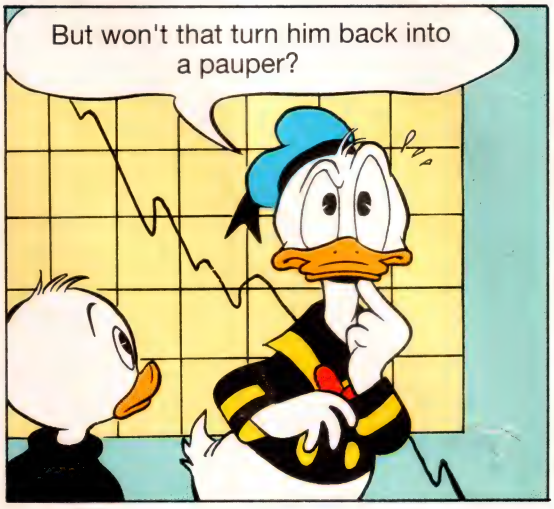
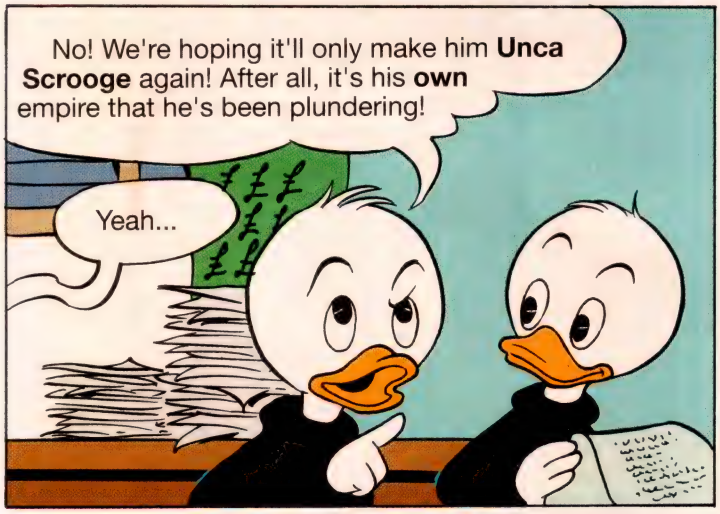
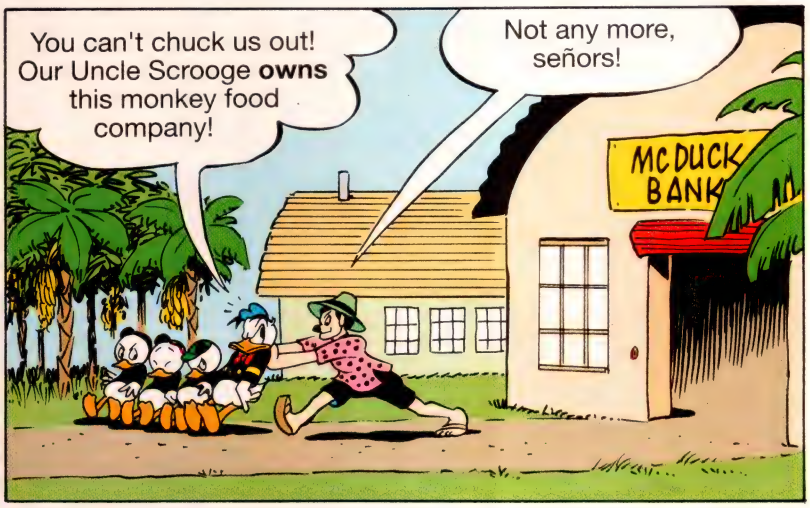
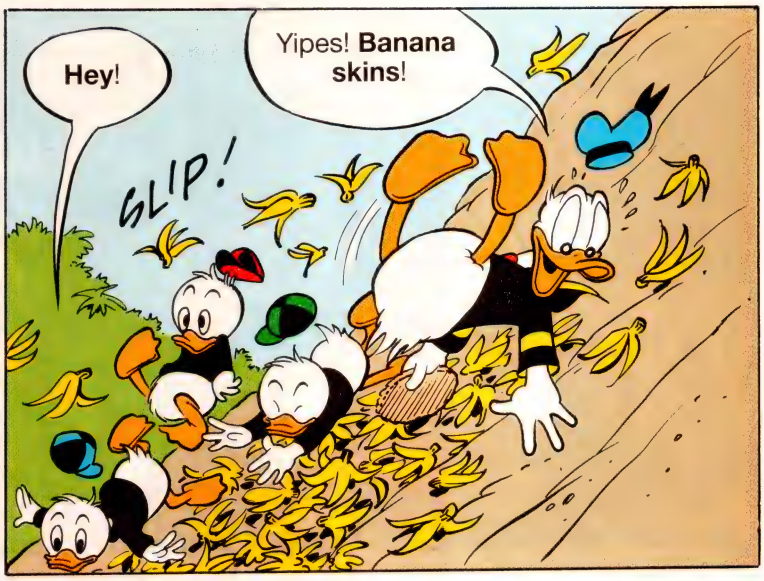
So what we must do is catch Unca Scrooge while he's taking over one of his companies!
Then get him to look into the mirror again!



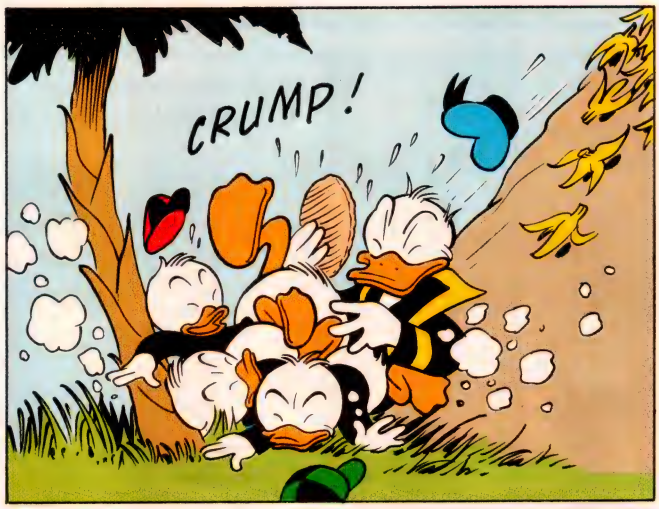


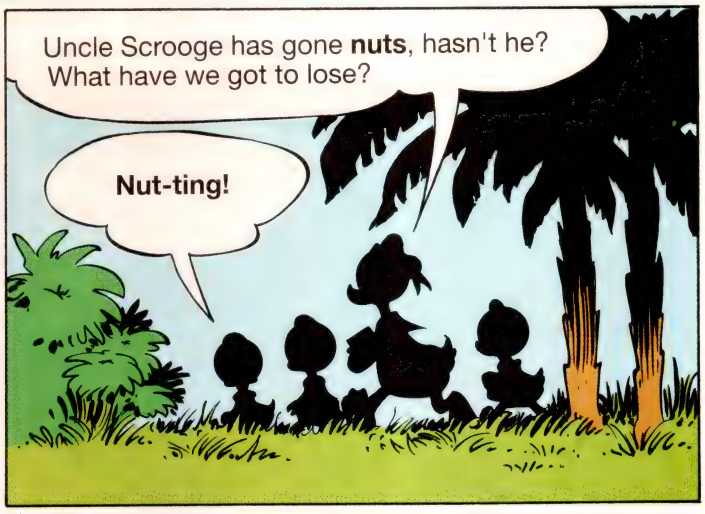
So off they go in search of Uncle Scrooge. They begin at a banana packing plant in Patagonia ...



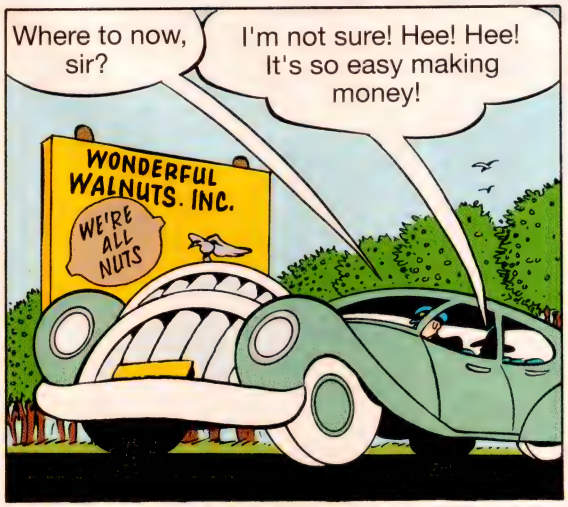


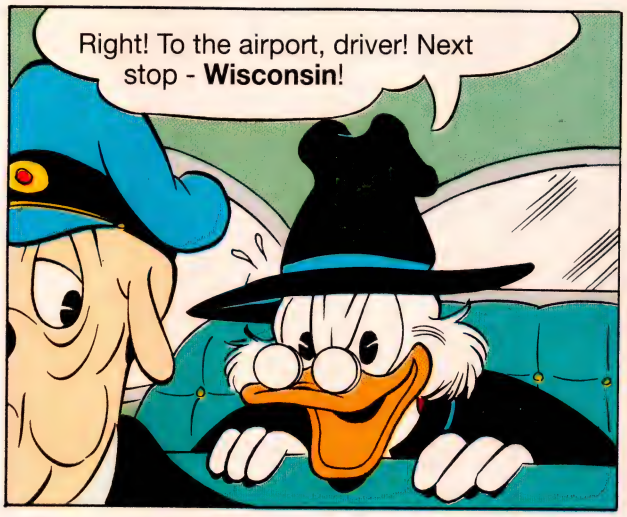
COLOR: BANANAS



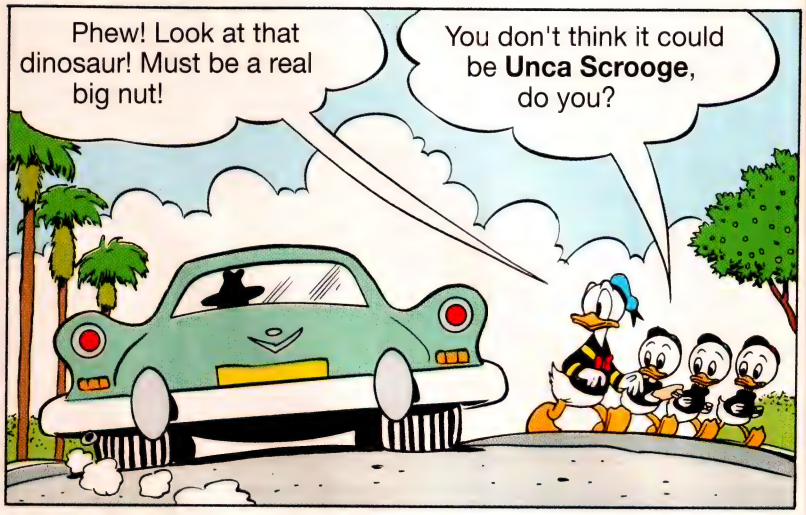


But it seems that the mysterious Mr. X is one step ahead of them ...



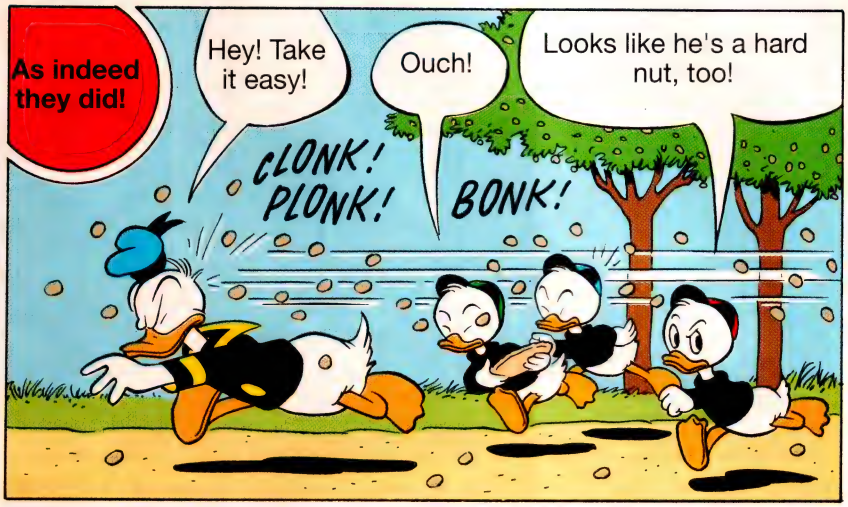


Right! To the airport, driver! Next stop - **Wisconsin**!

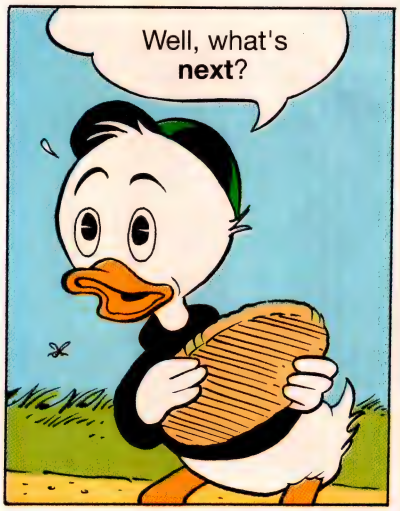


Phew! Look at that dinosaur! Must be a real big nut!
You don't think it could be **Unca Scrooge**, do you?

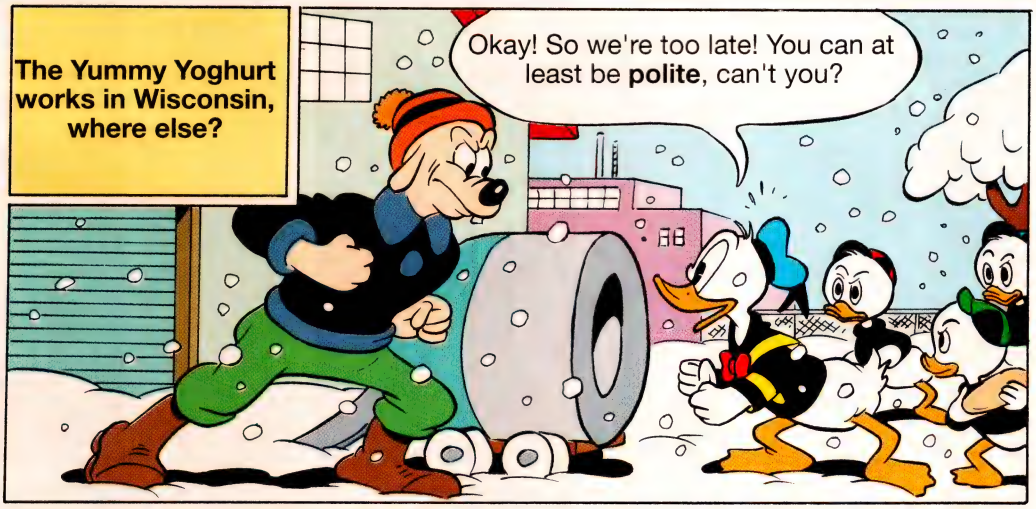
If it **is**, and we're too late, we'll soon find out!



As indeed they did!
Hey! Take it easy!
CLONK! PLONK!
Ouch!
BONK!
Looks like he's a hard nut, too!

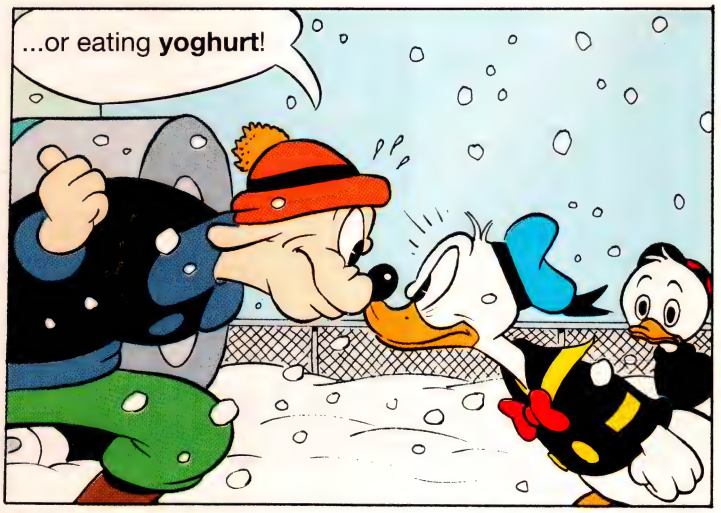


Well, what's **next**?



The Yummy Yoghurt works in Wisconsin, where else?
Okay! So we're too late! You can at least be **polite**, can't you?

I **am** being polite, duck! I'm offering you the choice of **leaving**...



...or eating **yoghurt**!

Oh, yeah? Well, it just so happens we **like** yoghurt!
Fine! Bon appetit!
BLOOF!
Next time speak for yourself, Unca Donald!

On to a tar plant in Timbuktu...
I hope the next joint isn't a **feather farm**!
Unca Scrooge has pipped us to the post every time!

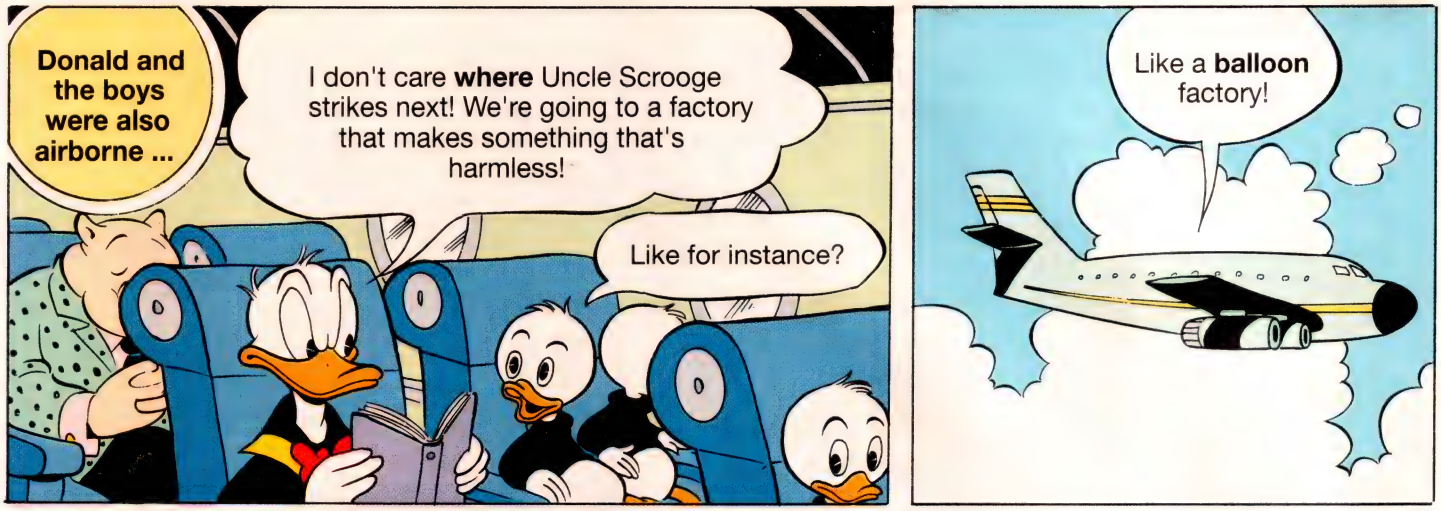
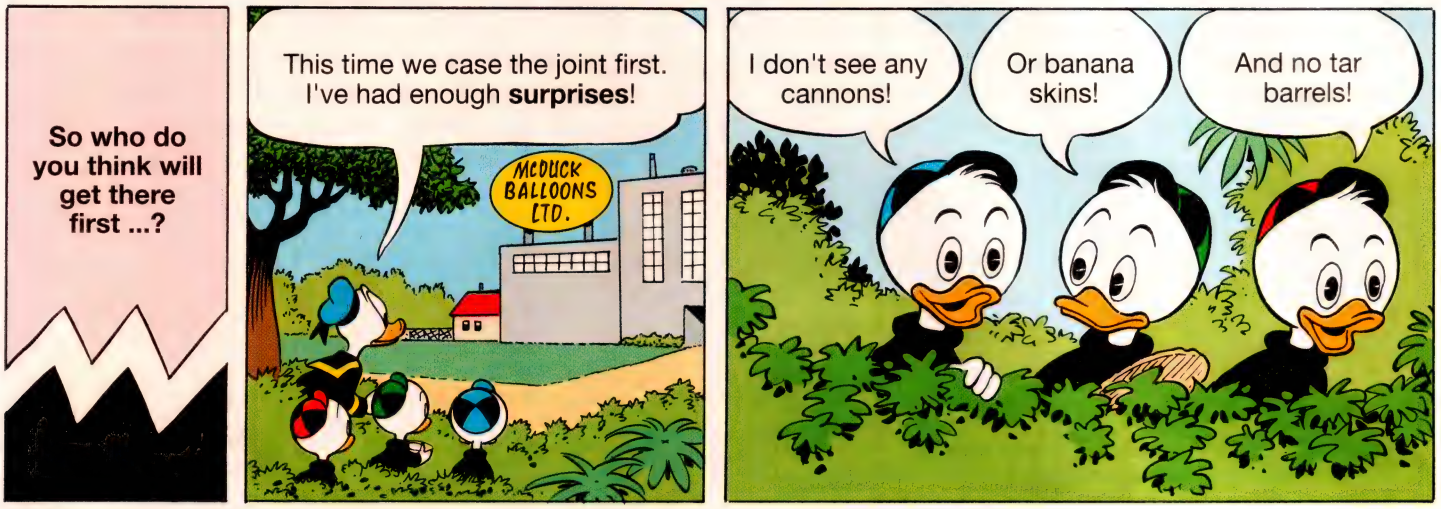
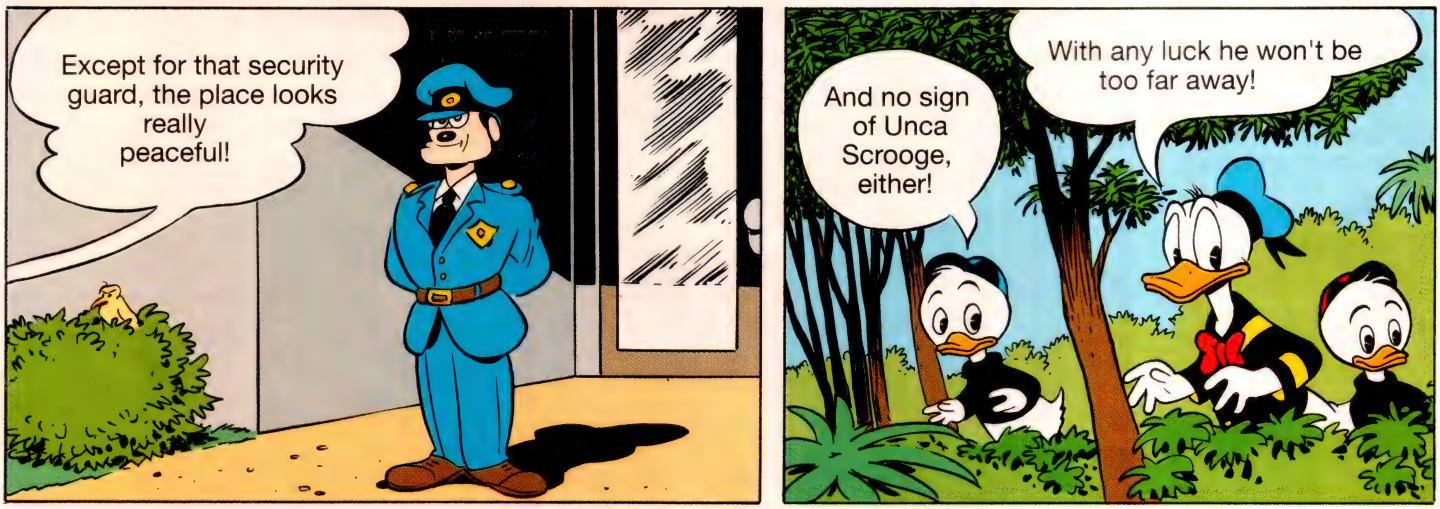
We've got to figure out where he'll strike **next** and get there **first**!
LOTTAGL TAR COM 6 MILES
At that very moment, Scrooge is himself deciding where to go next ...
Lemme see...my next big killing could be a feather farm in Goosequill...
SWOONSUDDEN AIR
... but that's boring stuff! It's time I took over something **fun** for a change!
Fun... fun... ah! Here we go! A **balloon** factory in Brisbane! I should fly high with this one! Heh! Heh!



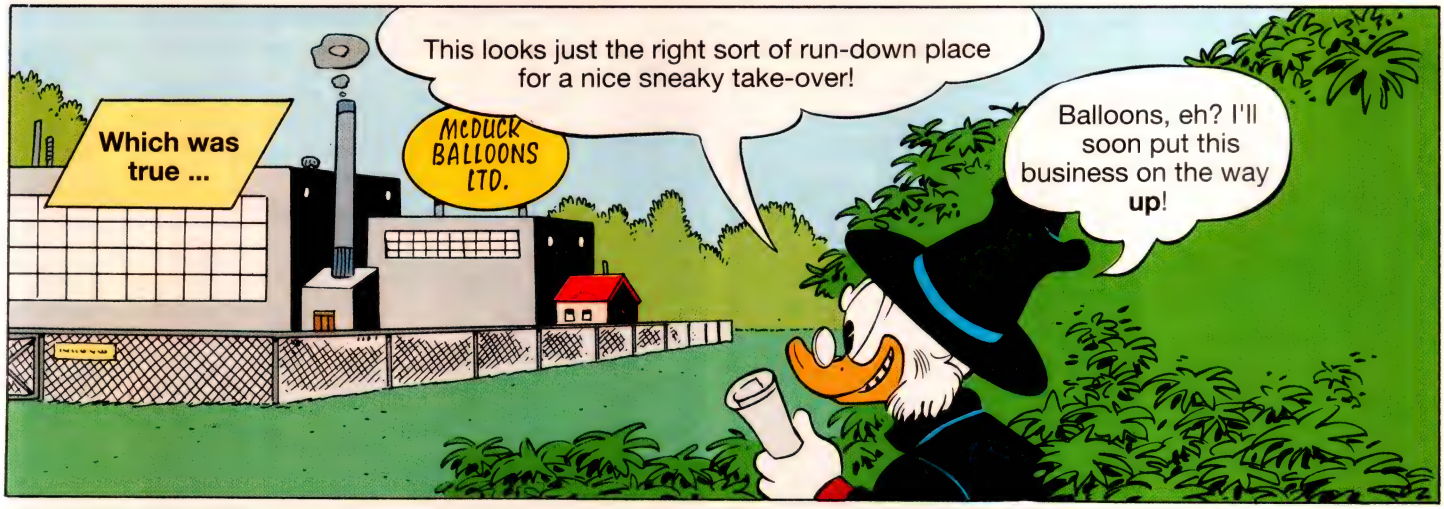
Donald and the boys were also airborne ...
I don't care **where** Uncle Scrooge strikes next! We're going to a factory that makes something that's harmless!
Like for instance?
Like a **balloon** factory!



So who do you think will get there first ...?
This time we case the joint first. I've had enough **surprises**!
McDUCK BALLOONS LTD.
I don't see any cannons!
Or banana skins!
And no tar barrels!



Except for that security guard, the place looks really peaceful!
And no sign of Unca Scrooge, either!
With any luck he won't be too far away!



Which was true ...
This looks just the right sort of run-down place for a nice sneaky take-over!
McDUCK BALLOONS LTD.
Balloons, eh? I'll soon put this business on the way **up**!

Hey! Someone's coming out of those bushes over there!
BALLOONS LTD
I'd know that **waddle** anywhere! Get the mirror ready, Dewey!
Right on, Unca Donald!
Then let's get him!
Unca Scrooge! Hang on!
Hey!
Good gravy! I'm about to be attacked!
Help! Save me from these muggers and ruffians!
What's goin' on here, fellers? Are you the thugs he **says** you are?
We're his **nephews**!
Fiddle-faddle! I've never laid eyes on these bandits in my life! **Chase 'em off!**
Better start back-peddlin', boyos, or I'll have to run you in!
B-but he's our **Unca Scrooge**!

How will Donald and the nephews get their uncle back to his old self?
Find out next week!

MICKEY'S PUZZLES

Donald is guiding Mickey and friends round the Duckburg art gallery. In the Indian painting that he is showing them, can you spot the five things that don't belong?

Somewhere on these pages are hidden three objects that an artist would use: an easel, a paintbrush and a palette. See if you can spot them!

There is also a detail that appears four times on these pages. What is it?

Connect the famous painters with the years to find out when each of them was born.

BATTLE OF THE BEAKS

Donald is dreaming that he is a famous admiral leading his ships into battle. Find the pieces of rope that will tie in a knot when you pull the ends. Now put the letters in the right order to find out who Donald is pretending to be.

Mickey's Mail Bag 1, 2, 3,
I'm writing this poem before my tea,
I know I must think,
I know I must hurry,
I know what's for tea, it's chicken curry!
Leona Danskin, Kirkcaldy.

Pluto's looking lively in this picture by Tom Hidderley of Frome.

I love my Mickey ruler,
And take it to my school-er,
My teacher wonders how,
I love all my sums now,
She cannot see my secret friends,
Mickey and Goofy, changing when the light bends!
Eleanor Glover, Cornwall.

Dear Uncle Scrooge,
I love reading the stories about you, Donald and the nephews, but I feel sorry for Donald. Why do you have to keep firing him?
Barry Ryan, Co. Offaly.

Okay, Barry, I suppose I do keep firing Donald, because he's daft, but then I keep giving him his job back, don't I? So there's no need to feel sorry for him! Love, Uncle Scrooge.
